**REPLY TO NOTICE OF NON-COMPLIANT AMENDMENT**

Dear Sir:

In the "Notice of Non-Compliant Amendment" (hereinafter "Notice") mailed on July 31, 2007, the Office indicated that the response to the Amendment mailed on July 18, 2007 (in response to Office Action mailed on March 21, 2007) was non-compliant because the amendment to the Abstract was not presented on a separate sheet. Applicants submit that the objection noted in the Notice is incorrect (for the reasons stated in the Remarks section), and therefore no extension of time for filing this Reply is deemed to be necessary. However, if the Office deems an extension of time is necessary, Applicants request a **four-month extension of time** for filing a reply, and the Office is authorized to charge the extension fee of \$1,640 to **Kenyon & Kenyon LLP's** Deposit Account No. 11-0600. In order to obviate the issue raised in the Notice, Applicants submit the following revised section of the Amendment mailed on July 18, 2007.

**Amendments to the Specification** begin on page 2 of this paper, as a part of which the amendment to the Abstract is presented on p. 3.

**Remarks** begin on page 4 of this paper.
